עברה בהצלחה 4 שנות לימוד של רפואה סינית עתיקה - דיקור וצמחי מרפא

has successfully passed 4 years course of
Ancient Chinese Medicine: Acupuncture & Chinese Herbs

Dror Adam
Chairman of the board

Anat Arad
Academic Manager

"The Accomplished doctor is able to follow illnesses, both on the surface and internally and see the direction and progression of a disease. This is the Dao. The Dao is precious and not to be passed on unless a student is sincere and compassionate to human suffering. Only in this way can the great tradition remain pure and virtuous."

Nei Jing
