Dana

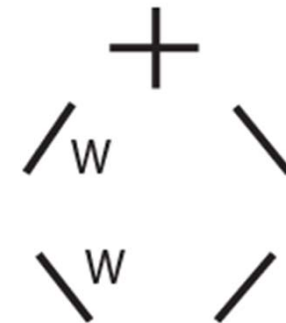

D.O.B 28.6.2001

Dana (13) ♀

30.4.14

Ben (17), Ran (6)

- **Pregnancy:** ✓.
- **Birth:** Postpartum depression. She was crying a lot 6 weeks, might be that there was not enough milk.
- **Feel hot in the last two years.**
- **Pain in the knee. One leg is shorter in 2 Cm.**
- **Sweats in the legs – Since ever.**
- **Appetite:** ✓.
- **Stools:** ✓.
- **Sleeping:** Before it was difficult to fall asleep. Also today it takes half an hour to fall asleep.
- She moves a lot – nightmares.
- **AB:** Few times.

Dana (13) ♀

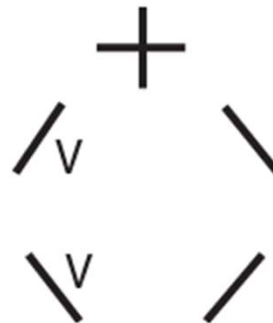

Ben (17), Ran (6)

21.5.14
(3 weeks later)
Treatment No. 2

| Number | Time from previous treatment | Date | Treatment |
|--------|------------------------------|---------|-----------|
| 1 | - | 30.4.14 | CO-11(G) |

- **A good improvement, still difficulty to fall asleep.**
- **There was no over reaction to the treatment, On the contrary – she felt “high”.**
- **Less angry with friends.**
